PROFESSIONAL SUMMARY

Motivated and detail-oriented undergraduate BSc student in Management Information Technology (MIT) at South Eastern University of Sri Lanka (SEUSL), with strong hands-on experience in software development, web technologies, and basic networking concepts. Skilled in building desktop, web, and mobile applications using modern frameworks and tools. Passionate about secure system design, full-stack development, and continuous learning, with the long-term goal of building a career in cybersecurity and enterprise-level software solutions.

EDUCATION

BSc in Management Information Technology (Undergraduate)

South Eastern University of Sri Lanka (SEUSL) 2023 – Present

Focus Areas: Management – 40% | information Technology – 60%

G.C.E. Advanced Level (A/L)

MR/ J.R.S.DE Almeda Maha Vidyalaya 2021/2022

Stream: Art Stream
Index Number: 81985436
Subjects & Results: Geography – A, Sinhala – A, Information & communication Tech. - B

G.C.E. Ordinary Level (O/L)

MR/ J.R.S.DE Almeda Maha Vidyalaya 2018

Results Summary : 3As, 5Bs, 1Cs and 1S

SKILLS

Programming & Development
HTML, CSS, JavaScript, PHP, SQL, Java, C#, Dart | Spring & Spring Boot | .NET Framework | MERN Stack | Flutter

Web & Database Technologies
MySQL, MongoDB, Firebase | RESTful APIs | Full-Stack Web Application Development

Software & Tools
Git & GitHub | Adobe Photoshop, Illustrator, CorelDRAW | UI/UX Design, Wireframing, Prototyping

Photography & Videography
Professional photo and video capturing skills | Editing and content creation for digital platforms

Networking & Cybersecurity Basics
Basic networking concepts (LAN/WAN, IP Addressing, Troubleshooting) | Cybersecurity awareness and best practices

Project & Professional Skills
Desktop, Web, and Mobile Application Development | Project Management fundamentals | Technical Documentation and Reporting

Soft Skills & Personal Attributes
Self-motivated, hardworking, and adaptable | Excellent interpersonal and communication skills in English and Sinhala | Flexible, patient, and able to guide or mentor others

CERTIFICAIONS

Formal Certifications (Physical Certificates)

Advanced Certificate in English 2022
SIBA Campus
Grade: A Pass

Advanced Certificate in ICT 2022
SIBA Campus
Grade: A+ Pass

Certificate in ICT (Microsoft Office) 2017
S-Soft Computer Institute

E-Certifications / Online Courses

Foundations of Project Management 2025
Center for Open & Distance Learning (CODL) – University of Moratuwa
Verification Code: dsofmV2HI

Flutter Mobile Application Development 2024
Zero2Learn Institute
Certificate ID: 679f93c283c05c220eeda257

Python for Beginners 2022
Center for Open & Distance Learning (CODL) – University of Moratuwa
Verification Code: d3wbN5NoNg

Web Design for Beginners 2022
Center for Open & Distance Learning (CODL) – University of Moratuwa
Verification Code: KNrTuVheFH

PROJECTS

Web Application Projects

MERN Stack Web Application – CBC Cosmetic Beauty Shop
MongoDB, Express, React, Node.js
Developed a full-stack e-commerce website to manage products, orders, and user authentication, enabling smooth online transactions.
GitHub Link: Back-End: https://github.com/Madhusanka1129/CBC-E-Commerce-web-back-end
Front-End: https://github.com/Madhusanka1129/CBC-E-Commerce-web-front-end

Grocery Store Management Web Application
HTML, CSS, JavaScript, PHP, SQL, Bootstrap
Built a responsive web application for grocery inventory, sales tracking, and order management to streamline store operations.
GitHub Link: https://github.com/Madhusanka1129/grocery-store-management-Web-Application

Tour-Lanka – Travel Management System
HTML, CSS, PHP, JavaScript, Bootstrap, SQL
Developed a travel booking system to manage tours, customers, and itineraries for a university Second Year Semester-II web development project.
GitHub Link: https://github.com/Madhusanka1129/Tour-Lanka---Travel-Management-System

Campus Management System
HTML, CSS, JavaScript, PHP, SQL
Created a web application for campus administration, handling students, courses, and academic scheduling efficiently
GitHub Link: https://github.com/Madhusanka1129/Campus-Management-System
.

Student Management System
HTML, CSS, JavaScript, PHP, SQL
Designed a student database management system for enrollment, academic records, and report generation.
GitHub Link: https://github.com/Madhusanka1129/student-management-system

Desktop Application Projects

AnyStor – Inventory Management System
C#, .NET Framework
Developed a desktop inventory management tool for tracking stock, purchase, and sales in a retail environment.
GitHub Link: https://github.com/Madhusanka1129/AnyStor-Inventory-Management-System

Pizza Checkout System
C#, .NET Framework
Built a desktop POS system for a pizza shop to manage orders, billing, and ingredient stock.
GitHub Link: https://github.com/Madhusanka1129/Pizza-Checkout-System

Library Management System
Java
Developed a Java-based system to manage books, borrowing, and returns, improving library workflow efficiency.
GitHub Link: https://github.com/Madhusanka1129/Library-Management-System-Java

Mobile Application Projects

LingoLearn-Mobile
Flutter, Dart
Developed a mobile app to track daily tasks and schedules with notifications and user-friendly UI.
GitHub Link: https://github.com/Madhusanka1129/LingoLearn-Mobile

LKR-Calculator-App
Flutter, Dart
Built a Flutter-based language learning app with vocabulary tracking and progress reports.
GitHub Link: https://github.com/Madhusanka1129/LKR-Calculator-App

Logo-randomizer
Flutter, Dart
Created a simple e-commerce app with product catalog, cart, and checkout functionality.
GitHub Link: https://github.com/Madhusanka1129/logo-randomizer

LANGUAGES

English – Professional Working Proficiency
Sinhala – Native

EXTRA-CURRICULAR ACTIVITIES & LEADERSHIP

Media Person – 13th International Symposium 2025, SEUSL
Contributed as a media team member by supporting photography, videography, and media coverage for an international academic symposium held at South Eastern University of Sri Lanka.

Prefect Board Member – MR/J.R.S.DE. Almeda Maha Vidyalaya
Senior Head Prefect (2020) | Head Prefect (2018) | Prefect (2016–2017)
Demonstrated strong leadership, discipline, and organizational skills by coordinating student activities, maintaining school discipline, and supporting administrative responsibilities.

Member – School Cadet Team – MR/J.R.S.DE. Almeda Maha Vidyalaya
Developed teamwork, leadership, and discipline through structured training, drills, and school-level cadet activities.
Member – Environmental Pilot Corps
Actively participated in environmental awareness programs and initiatives focused on sustainability and environmental responsibility.

CAREER OBJECTIVE

To develop a strong professional career as a software engineer and future cybersecurity specialist by applying my technical knowledge, practical project experience, and continuous learning mindset to build secure, scalable, and user-focused digital solutions at an international standard.

PERSONAL DETAILS

Full Name: Sapugahadeniyage Pradeep Madhusanka

Date of Birth: 29 November 2002

Nationality: Sri Lankan

Gender: Male

Marital Status: Single

Address: Aparakkahena, Witiyalagoda, Baragama South, Makandura, Matara.
